SENSOR CLIPS

Save installation time and improve the performance of QTI's waterproof sensors by clipping them to copper tubing. Our standard clip made from stainless steel is compatible with copper tubing. A variety of clip sizes are available to suit most refrigeration applications.

Clip sizes available: 1/4", 3/8", 1/2", 5/8", 7/8", and 1 1/8".

The 1/4" and 3/8" clips are 0.38" wide. All other clips are 0.625" wide.

Please note: The clips are not sold by themselves, and must be ordered in combination with QTI sensors.

ENGINEERING INFORMATION

- Clip material: stainless steel
- Clips available for pipe sizes 1/4", 3/8", 1/2", 5/8", 7/8", and 1 1/8"
- The 1/4" and 3/8" clips are 0.38" wide; all other clips are 0.625" wide
- Clips compatible with copper tubing
